The Heart of Iowa School Tuition Organization (STO), Inc. has complete discretion regarding grant/scholarship awards. The Heart of Iowa STO will send scholarships directly to the school where the student is enrolled. If the student does not complete a full year of school, the awarded scholarship will be prorated based on days of attendance and the unused portion returned to Heart of Iowa School Tuition Organization, Inc. to be distributed to another eligible family.

If the Heart of Iowa STO chooses to participate, a small number of families will be contacted to participate in a short survey to share their opinions.

If you choose to participate, you may be contacted by this research agency. Your participation is not mandatory, but will be invaluable to ensure that this scholarship program continues to be available and responsive to you and your child's educational needs. If you choose to participate, your personal information will remain confidential and will not be shared with anyone other than the research agency approved by the Heart of Iowa STO. The research agency will only use the information to compile an overall statistical report on the program. Your decision to participate will not affect your scholarship in any way.
