Each time you use your Target REDcard Visa card, Target donates to DMCS 1% of purchases made at Target stores and at Target.com and ½% of all other purchases. To sign up for either card (or for the school donation program if you already have a Target REDcard) go to www.target.com. **Make sure you designate DMCS to receive credit for your purchases!**

Save 10% on one entire in-store and one online purchase upon approval. Earn other opportunities throughout the year to receive additional 10% off coupons by using your card when you shop at Target and by paying for 10 prescriptions at the Target pharmacy with your card (must sign up for the Pharmacy Rewards program separately).
