

# AI @ DMC

Students may ONLY use generative artificial intelligence (AI, such as Chat GPT) on an assignment or activity with teacher permission. Citation is required. Unauthorized use of AI assistance on an assignment or activity does not meet the expectations outlined in the Student Handbook and will result in disciplinary action.

**Never  
Allowed**

The student uses AI to complete the entire assignment or activity

The student passes off work from AI sources as his/her own original product

**Allowed at Teacher's Discretion**

The student consults AI to brainstorm ideas

The student uses AI to create an outline or structure a project

The student uses AI to revise or edit their work

**Allowed**

The student uses AI to study by practice problems or quizzing
