Middle School Student Handbook 2018-2019

Dear Students and Families,

Welcome to the 2018-2019 school year at DMC Middle School. After living a bunch of “firsts” last year in the middle school, we are excited to walk into this year knowing a little more of how daily life is going to happen in our department. While there are some things that will stay the same, there are some things that are going to change- as we continue to try to find our unique identity as a department. My staff and I are looking forward to implementing new programs and activities that nurture middle schooler’s hearts to be nurtured and equip their minds to impact the world for Christ. We don’t take this responsibility lightly and feel so privileged that you have chosen Des Moines Christian Middle School..

The equipping of minds and nurturing of hearts can happen well when certain behavior and and community safety expectations are put into place. The guidelines, policies and procedures outlined in this handbook are all put into place to insure that we have a safe and effective learning environment. Some of the policies and procedures may not be be completely convenient or easy to follow. My prayer is that the DMC middle school can be a supportive community that recognizes the need for structure, behavioral supports and accountability. When the accountability measures described in this handbook are followed, our community can uniquely impact the world for Christ.

The handbook revision process includes input from all school community stakeholders. In our desire to continually improve- we are always asking ourselves “ Who are we and what are we doing here? “ If you have questions or concerns about policies and/or procedures outlined below, please direct them to Principal, Becky Parks.

The following sections were updated from previous handbook editions:

- COMMUNICATION FLOW CHART
- ATTENDANCE
- DAILY SCHEDULE
- ILLNESS/INJURY

- GRADUATION REQUIREMENTS
- HOMESCHOOL GUIDELINES

The guidelines inside it will help us create a space where every student and family feels like they belong. I am excited to partner with you in this work.

IOWA ASSESSMENTS - Iowa Assessments are administered in the spring to students in Grades 6-10.

LATE WORK - DMCS employs a gradual release of responsibility from Middle School to High School in the acceptance of late work. In middle school (for example), teachers may allow late work, but the late work policy will vary by teacher. In high school, teachers may not accept late work. Students are encouraged to read each teacher's syllabus and become familiar with expectations in each class.

SEMESTER FINALS – Des Moines Christian School gives semester finals designed to review and reinforce learning from the entire semester. The modified schedule will be communicated through Principal newsletters as well as the [DMCS Tandem Calendar](#).

MISSING SEMESTER FINALS – Semester finals comprise 16% of the student's semester grade; therefore, attendance is mandatory. Families may request an alternate finals schedule for their student by completing the [REQUEST TO](#)

SCHOOL COUNSELING SERVICES - In alphabetical order

ABOUT - School counselors support students in acquiring foundational skills during high school and provide other supports to help students on the way to a postsecondary institution. DMCS provides two full time high school counselors focused on academic planning for college and career readiness as well as the social / emotional / spiritual development of students. Postsecondary exploration and planning activities are delivered through individual planning sessions and school wide programming such as internships, college visits, classes offered through community colleges, and advisory curriculum.

SPIRITUAL FORMATION PROGRAM - In alphabetical order

ADVISORY - Students will gather in age specific small groups on Thursdays to pray, complete learning activities and share life together. Faculty and staff advisors use a curriculum focused on issues that middle schoolers face on a daily basis, such as: gossip, peer pressure, failure, etc. The advisory group is meant to be one more place where students can experience unique belonging at Des Moines Christian.

SPIRITUAL EMPHASIS - Spiritual Emphasis is intentionally planned each fall to focus nurturing hearts and impacting the world for Christ. For two days, middle school students take a break from the regular routine to serve in the metro community and participate in spiritual retreat of sorts with a main session speaker and general breakout sessions. The event provides great opportunity to build unity and community amongst the student body to enhance the student experience and fulfill the mission of the school.

WORLDVIEW - Worldview occurs each spring and similar to Spiritual Emphasis, students are provided a break from the normal routine to listen to a worldview speaker discuss a challenging topic of our culture. Recent worldview speakers include Brett Kunkle from Stand to Reason and Mark Vance from Cornerstone Church.

POLICIES & PROCEDURES - STUDENT BEHAVIOR

DMCS STUDENT CODE OF CONDUCT - Upon enrollment, families choose to enter into a partnership with Des Moines Christian School as stewards of the mission. Since students may be at different phases in their spiritual formation, behavior expectations and policies are focused on growing and promoting followers of Christ who become passionate about a positive school culture & climate. As Christ followers, we are committed to:

- **DEMONSTRATING PROPER RESPECT** for God, for others, for school policies / procedures, and for school property.
- **BEING HONEST** in all situations, including the completion of classroom assignments, taking of tests / assessments, and in relationships that are part of our school community.
- **ACTING WITH INTEGRITY** by using language and displaying character that demonstrates we are followers of Christ.
- **COOPERATING** with faculty and staff in achieving the goals of DMCS regarding conduct, performance, and attitude.

- **PUTTING FORTH EFFORT** and using the gifts God has given us to the best of our ability in accordance with God’s will for our lives.

Aligning to these commitments is a choice. Families who are unwilling to partner with Des Moines Christian and / or students who demonstrate a pattern of behavior or attitude that reflects an unwillingness to comply with the Student Code of Conduct will be asked to withdraw or be faced with expulsion. In the event that a student chooses to withdraw prior to a recommended expulsion or is expelled, he / she may reapply for admittance after one full semester has passed. A probationary period may be used as a condition of readmittance.

DISCIPLINE PROCEDURES - Student conduct at DMCS is divided into two categories - Tier I and Tier II. Tier I behaviors are considered serious because they threaten the safety and security of others within the school community and expose our culture to mockers and scorners of the Christian faith. Tier II behaviors are still serious but can often be corrected through discipline and guidance from advisors, parents, and mentors. Students who violate standards in either category will be subject to discipline as deemed appropriate by the administration.

- **WARNING:** Many student behaviors can be addressed through conversations between teachers and students in which warning are issued, expectations are clarified, and students are coached on appropriate behaviors as Christ followers. These are mentoring in nature and may include the Advisor, Guidance Counselor, or Principal. Warnings are recorded in the student database to track patterns of behavior. If the behavior continues after several warnings, a detention will be issued and a parents will be notified.
- **DETENTION:** Detentions are scheduled for 30 to 60 minutes and served on Tuesdays and Thursday after school, regardless of the student activity.
- **PROBATION:**
 - **BEHAVIOR PROBATION** - Students who repeatedly violate the Student Code of Conduct will be placed on Behavior Probation for one semester. Specific terms of probation are determined by Administration and will include loss of privileges such as open campus, leadership / captain roles, positions on Student Council or Worship Team, denial for mission trip or senior trip travel, etc. Students who do not meet the terms of probation will not be invited to return for the following semester.
 - **ACADEMIC PROBATION** - Students who have poor grades (D or F) in more than one class at the end of a term will be placed on Academic Probation for one semester. Specific terms of probation are determined by Administration. Students who do not meet the terms of probation will not be invited to return for the following semester.
- **SUSPENSION:**
 - **IN-SCHOOL SUSPENSION (ISS)** - Students separated from others and required to complete all schoolwork they miss while suspended. The homework is due the day the student returns to class after the suspension.
 - **OUT-OF-SCHOOL SUSPENSION (OSS)** - Students are removed from school property while conversations take place about whether or not they may return. Any work missed during OSS may be made up for full credit and is due the day the student returns to class after the suspension.
- **EXPULSION** - Administration may, at any time, determine a student (or family) is not in unity with Des Moines Christian School and recommend expulsion to the Superintendent. The Superintendent’s decision is final.

TIER I BEHAVIORS	
In general, the following would result in a warning from faculty or staff before progressing to detentions and further disciplinary action; however, administration reserves the right to assign consequences they deem appropriate based on student or family responses to warnings.	
ATTENDANCE	Independent Accreditation assurances through the State of Iowa require attendance of all regularly enrolled students for the entire time when school is in session during the regular school year. Students are expected to attend classes regularly and be on

EXTRACURRICULAR ACTIVITIES - *In alphabetical order*

DMCS seeks to promote the development of the whole person through a variety of programs and activities. Participation in the life of DMCS outside the classroom gives our students a chance to explore the many talents God has given them. Our membership in the West Central Activities Conference (WCAC) allows the students to compete in sports, fine arts and academic competitions. For more information about the activities and athletics offered at DMCS, click [here](#).

ACADEMIC ELIGIBILITY TO PARTICIPATE IN ACTIVITIES - The eligibility standard for participation in athletics & activities is to maintain a minimum GPA of 1.67 (C-) and have no "F's" on a weekly basis. An "F" is a cumulative grade in the class and not an individual test or assignment grade. The eligibility report will be generated Wednesday mornings.

ATHLETIC PROBATION: If a student does not meet the eligibility standards outlined above when the report is generated, they will be placed on probation for the following week. The probation period will begin on Wednesday and end on the following Wednesday. Students may participate in practices and games while on probation.

INELIGIBLE: If a student continues to not meet the eligibility standard outlined above when the report is generated, they will be considered ineligible, but only if the failing grade is in the same subject area as the week before. Ineligible is defined as no participation in performances/games until the conditions for eligibility are met (no F's or a GPA greater than 1.67). This policy covers all non-graded school activities such as sports, student council, worship team, drama, etc.

ATTENDANCE POLICY TO PARTICIPATE IN EXTRACURRICULAR ACTIVITIES - Students are required to be in attendance for 50% of their scheduled classes to participate in extracurricular activities. A written request is required from the parent with evidence of mitigating circumstances to be considered by for an administrative exemption to this rule. Coaches and Directors are responsible for verifying attendance of their players/participants on the day of an event.

ATHLETIC / ACTIVITY FEES - An athletic / activity fee is collected annually for each sport in which the student competes and show choir. This fee is set by the DMCS Board of Directors and supplements the overall cost of the athletic program. Fees are billed to the student's account and are only refunded if an athlete quits before participating in a competition. An athletic fee will also be assessed on the accounts of students participating in our Cooperative Sharing Agreement with Urbandale/Johnston to offset the fee those schools charge DMCS.

ATHLETIC DOCUMENTS - The Iowa High School Athletic Association (IHSAA) mandates all student athletes to have the following three documents on file with their school in order to participate (including practice) in any school athletic programs:

1. **Athletic Preparticipation Physical Exam:** Valid for 12 months + 30 days from date of exam.
2. **Head Concussion Information Form:** Signed by both parent and student.

CONCUSSION PROTOCOL - DMCS will implement the following return to participation / school protocol following a concussion made on an individual basis by licensed health care providers. Medical experts in concussion believe a concussed student should meet all of the following criteria in order to return to activity / school.

- Asymptomatic at rest and with exertion (including mental exertion in school) AND have written clearance from a physician, physician's assistant, or licensed athletic trainer. Written clearance to return by one of these licensed health care providers is required by Iowa Code 280.13C.
- Once criteria above are met, the student should return to full activity following the steps detailed below. A licensed health care provider should closely supervise this progression.
- Licensed health care providers' clinical judgement may affect the return to participation protocol.

RETURN TO SCHOOL / LEARNING: Student must complete physical and cognitive rest. There should be no exertional activity (activities requiring concentration, attention, worsens symptoms, or delays healing) until the student is asymptomatic.

STEP ONE - Students are symptom free for 24 hours with no medication and must have physical / cognitive rest. This means a strict adherence to no activity policy.

STEP TWO - Students may return to school with no symptoms and no medication.

RETURN TO ACTIVITY: Students will follow a return to activity protocol outlined by a healthcare professional that includes progression from low impact aerobic exercise to a full return to normal competition.

STEP ONE = Low impact, light aerobic exercise (Goal: Increase Heart Rate). Athlete will complete a 5-20 minutes on a stationary bike, walking, jogging, or swimming. No weight room, no jumping, no high intense running or resistance.

STEP TWO - Basic, moderate exercise (Goal: Add Movement). Sport specific drills and no contact drills open (no equipment). Light weight training may begin.

STEP THREE - Return to practice (Goal: Coordination and Cognitive Load). Non contact practice drills, no scrimmages. Athlete is released to use equipment and condition with the team until they begin contact sports, then athlete switches to individual workout.

STEP FOUR - Return to practice with medical clearance (Goal: Build Confidence and Assess Function). Controlled return to full practice with full contact drills and full weight training.

STEP FIVE - Normal competition in a contest.

GOOD CONDUCT RULE

To retain eligibility for participation in Des Moines Christian extracurricular activities, students must conduct themselves as good citizens both in and out of school at all times. Students who represent the school in an activity are expected to serve as good role models to other students and to members of the community.

Claims of Good Conduct Rule violations will be investigated. Students will have the opportunity to hear the allegation and provided the opportunity to share their side of the story. If claims are substantiated, student(s) will be deemed ineligible for a period of time, as described below. A student may lose eligibility under the Good Conduct Rule for any of the following behaviors:

- Possession, use, or purchase of tobacco products (or look alike products), regardless of the student's age
- Possession, use, or purchase of alcoholic beverages (having odor of alcohol on one's breath is evidence of "use")
- Being in attendance at a function or party where the student knows or has reason to know that alcohol or other drugs are being consumed illegally by minors and failing to leave despite having a reasonable opportunity to do so
- Possession, use, purchase, or attempted sale/purchase of illegal drugs, or unauthorized possession, use, purchase, or attempted sale/purchase of otherwise lawful drugs
- Engaging in any act that would be grounds for arrest or citation in criminal or juvenile court system (excluding minor offenses such as traffic or hunting/fishing violations), regardless of whether the student was cited, arrested, convicted, or adjudicated for the act(s)
- Exceedingly inappropriate or offensive conduct such as assaulting staff / students, gross insubordination (talking back or refusing to cooperate with authorities), hazing or harassment of others. Such harassment does not have to rise to the level of violating the school's anti-bullying / harassment policy, but rather may include inappropriate and/or disparaging comments to or about others, whether made verbally, in writing, or by electronic means (e.g. text messages, email, or posting on social media). Examples of such harassment includes, but is not limited to: threats, inappropriate comments about the traits of an individual or group; creating parodies to make fun of others; posting or otherwise sharing potentially embarrassing photos,

drawings, videos, or depictions of others without permission. NOTE: This could include group conduct. This rule is not intended to prevent a student from expressing his / her religious or political beliefs.

If a student transfers from another Iowa school or school district and the student has not yet completed a period of ineligibility for a violation of a Good Conduct Rule in the previous school, the student shall be ineligible if administration determines there is general knowledge in our school district of the fact that the student was in violation in a previous district.

PENALTIES - A student who, after an interview with administration, is found to have violated the Good Conduct Rule will be subject to the following:

- **FIRST OFFENSE WITHIN STUDENT'S MIDDLE SCHOOL CAREER** = Suspended up to 30% of the current season (including any post season competition).
- **SECOND OFFENSE WITHIN STUDENT'S MIDDLE SCHOOL CAREER** = Suspended up to 60% of the current season (including any post season competition).
- **THIRD OFFENSE WITHIN STUDENT'S MIDDLE SCHOOL CAREER** = The student will be suspended for the remainder of his / her high school career.

Ineligibility must be served before an athlete participates in any other sport. If the athlete is suspended at the end of one season or school year, then the ineligibility will carry over to the next sport or school year. An ineligible student may attend all practices or rehearsals but may not "suit up" nor perform / participate in the sport or activity, including travel to away games or performances. Students who are ineligible at the end of a sport or activity shall not receive a letter or award for that activity.

ADMISSION PRIOR TO DETERMINATION (SELF-REPORTING): If a student comes forward to a coach, administrator, or athletic director to admit (self-report) a violation of the Good Conduct Rule prior to a finding of guilt by the administration, the student's penalty may be reduced up to 15% for first offense and 30% for second offense.

MISCELLANEOUS - *In alphabetical order*

ADDRESS CHANGES - Please report any change in address, telephone number, emergency contact, work numbers, etc. to Jill Frey at 515-252-2480 or jfrey@dmcs.org.

BENEVOLENCE / CHARITABLE ACTS - Organizing meals, volunteer services, or gift cards for a specific family must be approved by the Department Principal on a case-by-case basis. Communication to the Association about the need may be limited to classes, grades, or departments who have a relationship with the family. In accordance with IRS regulations, the School does not fund-raise cash for specific families.

FIELD TRIPS - Classes may take trips to interesting and educational places. Parents will be notified and must sign a permission slip for the student to go. Students are responsible to the classroom teacher and/or other adult chaperone while on the buses and at the site. DMCS asks that siblings not accompany parent chaperones on field trips.

LOST AND FOUND - Custodians go through the building each evening. All items found in hallways, on top of lockers, in locker rooms or the gym, etc will be placed in the Lost and Found located outside the Secondary Office. Unclaimed items will be donated 1-2 times per month.

LUNCH INFORMATION - DMCS has a serving kitchen only. Our hot lunches are prepared by Hy-Vee. Milk is included with each hot lunch and is also available for cold lunch students to purchase. Monthly menus are available on the website. Hot lunch and milk are available daily. Lunch accounts are created for each DMCS family and a family ID # is assigned. This account operates like a checking account where funds are deposited to be available for purchases. Students will be assigned individual lunch ID numbers to purchase

their meals, milk and a la carte items. Visit our website home page and link to "School Lunch" for more detailed information on how to maintain your lunch account and how to order hot lunches.

MUSIC AT EVENTS AND PRACTICES - Students have the opportunity to use music at school events and ballgames. All music that is played should promote our mission or not distract from our mission. Music selections are not limited to Christian artists or to instrumental only music. Playlists used for student activities such as practices, events, dances, and ballgames must be approved in advance by the principal.

TRANSPORTATION TO SCHOOL-SPONSORED EVENTS AND ACTIVITIES - DMCS provides transportation to athletic events and other school activities for all student participants. All student participants are expected to ride the bus to and from the events unless otherwise communicated by administration. If a student misses the bus a parent may drive them to the event. Student conduct rules will apply on all buses.

If DMCS transportation is provided but a student NEEDS to drive himself or herself, the following should be noted:

Parental permission must be granted in writing ahead of time explaining the situation, i.e. doctor appointments, work schedules, student living near the event site, etc. Administration's permission must also be obtained. Being given permission to drive themselves does NOT give a student permission to drive other participants. Parents cannot give authorization for students other than their own unless they have written permission from the other parents.

If DMCS transportation is NOT provided the following should be noted:

Participants and parents will be notified if transportation will not be provided to a school event. DMCS will be relieved in such cases of legal responsibility for the actions of student or parent drivers.
