

Student Ministry Ideas

Because Jesus sets the example for us to serve, we want to provide our students opportunities to do so, as well. We want this to be a habit forming discipline done with a heart of joy rather than a legalistic requirement. Feel free to go above and beyond the required number of hours. You will be blessed. Warning: Serving others for Christ may be addicting!

AWANA helper

Babysitting for free for another family. (One's own family does not count.)
